Location and Centre

Nottingham is a city steeped in culture and history. Situated 200km north of London, it plays host to a lively contemporary arts scene and award-winning visitor attractions, such as Nottingham Castle and the City of Caves tour. Outside the city lies the Peak District National Park and Sherwood Forest offering beautiful countryside scenery, and the historical Newstead Abbey, the residence of writer and poet Lord Byron.

The school is located next to an idyllic Victorian Park and an ancient arboretum which the students are free to enjoy during their well earned breaks!

The Extended Study Curriculum delivers a full education in English. It goes beyond ordinary language tuition by challenging participants to develop their competencies in a range of professional management simulations and academic subjects. Writing and speaking skills are advanced dramatically as students tackle political studies, business studies, mathematics, history and creative writing skills.

Accommodation

Accommodation is with host families living in Nottingham on a full-board basis. All host families are thoroughly inspected and their credentials checked. There will be no other student of the same mother-tongue in the family. Students are brought to the school by the host family on the first day, and from then on they walk or are provided with a bus or tram pass to travel to and from school as necessary.

Activities and Excursions

One evening per week there will be a social activity for all students, such as a barbeque or party.

Every Saturday, there is a full day excursion to a place of historical or architectural interest such as York, Skegness or Drayton Manor.

Young Learners are greeted by members of the OISE courier team from certain airports within standard hours as part of the package. Students are then accompanied to the Welcome Lounge, a facility with food, refreshments and activities to keep students occupied until they are taken onward to the school.
