

OISE Cambridge Consistently strong

In 2014, we helped 47 of our students prepare to take the IELTS Examination, with over 75% receiving an overall score of 5.5 or higher.

Our small class sizes and carefully tailored exam tuition allow 99% of our students to increase their overall IELTS band by 0.5 per month.

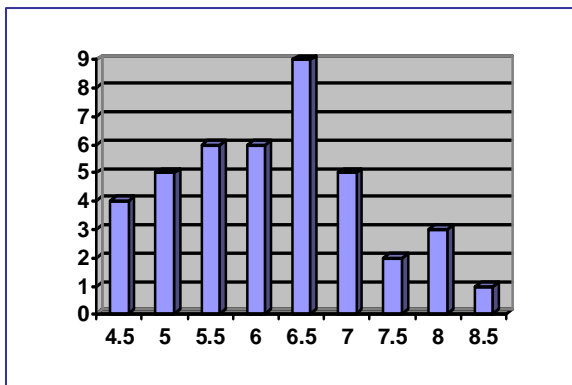

We have three teachers on our team who are qualified IELTS Examiners. With their help, we are constantly changing the way we approach exam tuition and continue to refine our examination techniques & strategies.
