

Residential accommodation

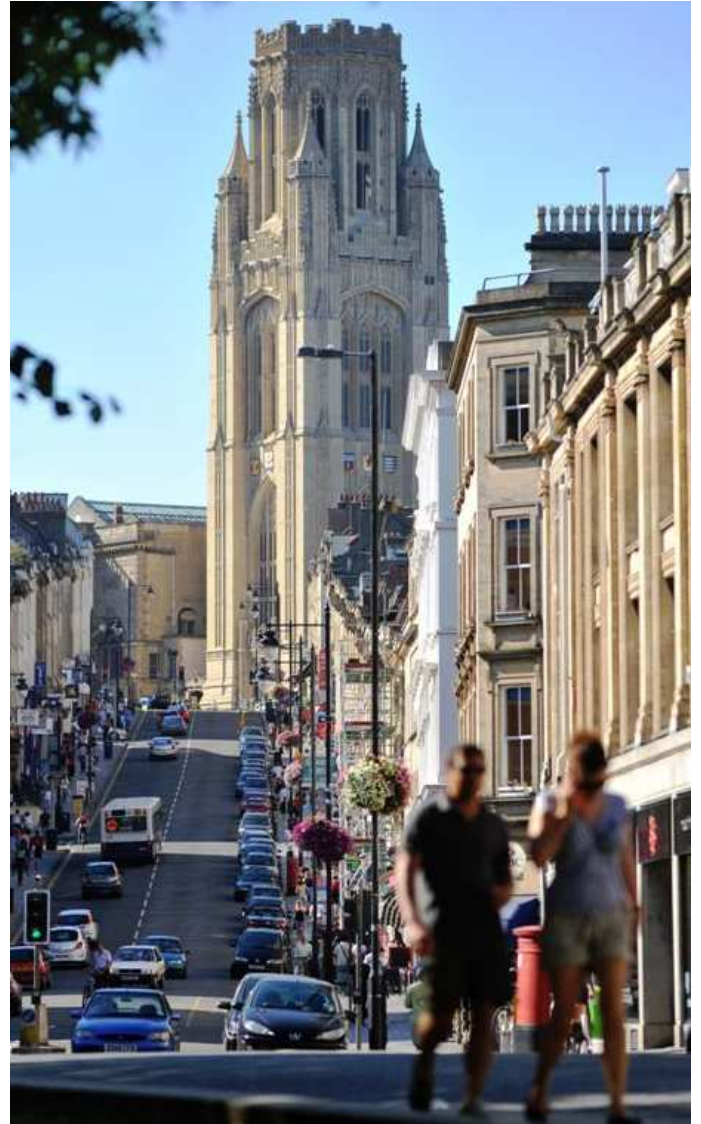

During July and August we offer residential accommodation for students aged strictly 18 and over.

Drake House is a University Residence situated in Nelson Street in The City Centre. It was completely refurbished in 2013 and is a block of 5 and 6 bedroom flats located 5 minutes walk from OISE Bristol. It is situated near to the harbour and within 5 minutes walking distance of shops, banks, restaurants and bus stops in the city centre.

The accommodation is comprised of secure and comfortable self-catering single study/bedrooms. All students receive an entrance swipe-card. Bedding is provided, however, students are expected to wash their own bedding using the laundry room on site. The flats have fully fitted kitchens (including a fridge freezer, dishwasher, microwave, cooker, kettle and toaster) and all crockery is provided. A vacuum cleaner, ironing board and iron are also provided in each flat.

Students share the shower room and toilet. The 6 bedroom flats are equipped with 2 toilets. Students are expected to keep their room and the communal areas tidy.

The building has free wifi, but cable internet is also available if required at no extra charge. Students can use the laundry facilities, but must provide their own washing powder etc. They will also have use of the games room with pool and table tennis tables and the student TV lounge.

Please add a supplement of 101 GBP per week to the course price.
