# EnglishforNurses

sharing knowledge & skills

'English for Nurses' is a language course for Overseas nurses starting to work in UK hospitals or for Overseas nurses, who have been working here in the UK for some time. This course can be used as part of an induction or it can be used to develop professional practice for non-native English speaking nurses.

## Who are we?

'English for Nurses' is a 1 day language course written and delivered by nurses. This course is based on our German nurse's experience of working within the UK.

## About our courses

Courses run from 09:00-16:30h and are supported with a comprehensive handout for each participant.

## The agenda of the course is:

Welcome and Introduction
