The core Octorial timetable delivers essential language training based on needs analyses and comprehensive level testing by our expert staff. Our workshops focus on performance skills including eye contact, body language, tempo and voice quality. We use weekly projects to cultivate soft skills including planning and organisation, critical thinking, collaboration and communication.

Tutorials are a chance for students to have lessons content tailored to their specific needs and to have the full attention of our experienced tutors. The structured, goal orientated approach our tutors take towards delivering tutorials and combination programmes helps students to make rapid progression and achieve the language goals and life aims.

OISE Bristol is a **Highly Trusted Sponsor**. Licensed by the UK Border Agency under Tier 4 of the Points Based System.
