

## OISE Oxford 2015

### Exam Preparation

OISE Oxford has a range of courses designed to prepare students for every international recognised English exam, including:

- IELTS: The leading test of communicative English linguistic ability
- University of Cambridge Examinations (FCE, CAE, CPE). All exams test reading, writing, listening and speaking
- TOEFL (Test of English as a Foreign Language). American examination widely used by universities in the US.
- BULATS (Business Language Testing): a language assessment service specifically for the use of companies and organisations.
- TOEIC (Test of English in International Communication)
- GMAT: for advanced studies in business management

English for exam success  
Your goals are to:

- be confident to handle all aspects of the exam
- overcome the anxiety of facing the exam through intensive exam practice
- be confident in your ability to use grammar accurately
- be able to express thoughts, ideas, opinions confidently and fluently
- gain an expanded vocabulary range as well as idioms and expressions including more sophisticated and complex language structures
