

## Welcome to OISE Oxford

*With over 40 years of continued development and refinement OISE Oxford has created a learning environment that specializes in delivering success to ambitious learners from both academic and professional backgrounds. The diversity and depth of experience amongst our tutors ensures that each OISE Oxford student has a tutor that complements both their learning style and objectives.*

### Tuition

Established in 1973, Oxford was the original school in the group and pioneered the coaching methods used in all OISE schools today

#### Quatorial Programme

- Classes of maximum 4 students per class
- Groups are formed based on the age, level and interest of the students
- Afternoon workshop classes (12 students maximum) with a focus on confidence building
- An international study environment

#### Tutorial Programme

- The tutor devotes 100% attention to the student
- Teaching methods are adapted to the learning style of the student
- The course content is tailored to the student's needs
- Flexible number of hours per day

### Facilities

Located in the heart of Oxford, our school overlooks the historic Covered Market and matches the academic excellence for which the city is renowned.

- Wi-Fi access throughout the building
- 26 teaching rooms including a lecture theatre and recently refurbished study centre equipped with E-learning software
- Online BULATs exam available
- Student lounge with refreshments and English language reading materials
- A dedicated student welfare & accommodation team
