Location and Centre

Situated approximately 20km from Bath, 120km from Oxford and 205km from London, Bristol is a hub of social and cultural attractions such as the Clifton Suspension Bridge, the Exploratory Science Museum, various museums and art galleries as well as a lively shopping scene.

Badminton school is over 150 years old, and marked its 40th year of hosting OISE students in 2016. Located just to the north of Bristol, students will find the local shops of Westbury-on-Trym a short walk away, and Bristol itself is served by regular buses.

Set in its own beautifully landscaped grounds, the school has excellent sports facilities including a heated swimming pool, an indoor sports hall and tennis courts.

The Intensive Summer Curriculum is a full time course of 27 hours of tuition per week, with a maximum of 8 students per class. Through this course, we aim to develop in our students an intellectual and social understanding which will lead to a fulfilling life, both personally and professionally. We do this by delivering a full day of learning which focuses on language, academic literacy, subject literacy and social and cultural fluency. All levels from beginner (A1) to advanced (C2) can be accepted.

Accommodation

Students are accommodated in the school residences in small dormitories of between 4 and 6 students with en-suite bathroom facilities. Meals are provided in the school dining hall. Special dietary requirements can be considered; vegetarian options are always available.

Activities and Excursions

Typical evening activities include quiz and casino nights, discos, film and games nights, talent shows, theatre workshops, fashion shows, teacher versus students sports, music workshops, card tournaments and karaoke.

Every Saturday there is a full day excursion either to London, Oxford or an outing to the city of Cardiff, with visits to the Millennium Stadium, Cardiff Castle, shopping and a boat trip. Sundays are filled with local excursions to Bath, Bristol Museum or Bristol Zoo.
