

## Summer School at OISE Folkestone

Available from 2nd July 2017 to the 5th August 2017

### Location and Centre

Known as the gateway to Europe, Folkestone is a traditional seaside town in Kent on the south east coast of England, with a sunny climate, fine beaches and friendly people.

Frequented by internationally acclaimed author HG Wells, who is celebrated every year in the town, Folkestone also plays host to a variety of festivals and attractions including Norman churches, the Battle of Britain monument and the annual Harbour Festival.

The school itself is situated in the exclusive west end of Folkestone. The grand Edwardian buildings on the quiet leafy campus offer excellent facilities, including light airy classrooms and recreation rooms, and spacious outdoor areas.

*The Intensive Summer Curriculum (27 hours  
per week, maximum 8 students per class)*

The Intensive Summer Curriculum is a full time course of 27 hours of tuition per week, with a maximum of 8 students per class. Through this course, we aim to develop in our students an intellectual and social understanding which will lead to a fulfilling life, both personally and professionally. We do this by delivering a full day of learning which focuses on language, academic literacy, subject literacy and social and cultural fluency. All levels from beginner (A1) to advanced (C2) can be accepted.

## Accommodation

Homestay accommodation organised by OISE Folkestone provides students with a safe and comfortable place to stay. Most host families are within walking distance to school, and there will be no other student of the same mother-tongue in the same home. All host families are thoroughly inspected and their credentials checked.

## Activities and Excursions

One evening per week there is a social activity held for all students. Examples include quizzes, art workshops, casino nights, theatre workshops, barbecues and film evenings.

Weekend excursions include full-day trips to London with visits to Covent Garden, the Science Museum and Harrods, and outings to Brighton or Canterbury.

## Travel

Young Learners are greeted by members of the OISE courier team from certain airports and stations within standard hours as part of the package. Students are then accompanied to the Welcome Lounge, a facility with food, refreshments and activities to keep students occupied until they are taken onward to the school.
