*The Intensive Summer Curriculum (27
hours per week, maximum 8 students per class)*

The Intensive Summer Curriculum is a full time course of 27 hours of tuition per week, with a maximum of 8 students per class. Through this course, we aim to develop in our students an intellectual and social understanding which will lead to a fulfilling life, both personally and professionally. We do this by delivering a full day of learning which focuses on language, academic literacy, subject literacy and social and cultural fluency. All levels from beginner (A1) to advanced (C2) can be accepted.

Location and Centre

One of OISE's longest running summer centres, Swindon is located approximately 1 hour from London by train. Situated in the county of Wiltshire, this old market town was the centre of development of the railways in the area.

Swindon is home to the work of the engineer Brunel, which has been restored and remains an integral part of the town's culture and entertainment scene. A modern pedestrianised centre exists alongside part of the old town.

OISE Swindon is a contemporary building with excellent sports facilities, complementing the many leisure amenities in the area.

Accommodation

Homestay accommodation organised by OISE Swindon provides students with a safe and comfortable place to stay. Most of the students take the bus to the school with a complimentary pass provided by OISE. Host families show the students how to get to school on the first day. There will be no other student of the same mother tongue in the house.

Activities and Excursions

One evening per week there is a social activity for all students. Examples include film nights, art workshops, barbecues, talent shows, quizzes, casino nights and theatre workshops.

Weekend excursions include full-day trips to London with visits to Covent Garden, the Science Museum and Harrods, or a day out in Bath or Oxford.

Travel

Young Learners are greeted by members of the OISE courier team from certain airports and stations within standard hours as part of the package. Students are then accompanied to the Welcome Lounge, a facility with food, refreshments and activities to keep students occupied until they are taken onward to the school.

Standard transfer times:

London Heathrow (LHR) – 2 hours
