## *Description of the course content*

---

### *OISE Heidelberg Programme for Teenagers*

#### Octorial lesson (8:1) Grammar & Vocabulary

Each lesson has a grammar and vocabulary focus relevant to the student's level. Students develop their accuracy and broaden their vocabulary.

#### Octorial lesson(8:1): Reading & Listening

These lessons cover the two skills of reading and listening. According to the students' language level, the lessons cover topics of everyday's life.

#### Octorial lesson (8:1): Writing & Speaking

Theses lessons focus on speaking and writing skills and are designed to encourage fluency and build confidence in using the language in oral and written production. The lessons offer an excellent opportunity for students to broaden their knowledge and skills base through project work, e.g. drama, creative writing, presentation or media.

#### Octorial lesson (8:1): Subject

These lessons cover topics such as politics, history, geography and offer the opportunity to broaden the student's knowledge about different subjects they can apply to their studies and beyond.

### *OISE Heidelberg Combination Programme*

#### Tutorial lesson (1:1)

Individual needs of the student

#### Tutorial lesson (1:1)

Individual needs of the student
