Travelling to Central London from the point of your arrival

We are happy to help you with your travel arrangements from your point of arrival. It is likely that you will arrive in England at one of London's airports : Heathrow, Gatwick, Stansted, London City or Luton, or by Eurostar to St Pancras Station. All airports and rail stations are served by an excellent transport system. Train and Underground prices are shown in the table overleaf, but tickets cannot be reserved; payment is made by the student before boarding the train. Alternatively we can arrange a taxi meeting service. The taxi reservation is made by OISE London and charged on your invoice.

Travelling around London

The transport system in London is divided into 6 zones.

Zone 1 is the central commercial and retail area, where the school is located. Zones 2,3,4,5 and 6 cover the rest of the Greater London region.

We advise you to buy a travelcard called an Oyster Card to travel from your accommodation to the school which is located in Zone 1. The Oyster card is a form of electronic ticket used on public transport within London. It is valid on the London underground, buses, the Docklands Light Railway (DLR) and London overground.

Oyster cards can be purchased from London underground ticket machines, newsagents and Travel Information Centres.

We recommend you buy a weekly or monthly Oyster which will save you money on every journey.

Weekly price:

Zone 1-2: £33.00

Zone 1-3: £38.70

Zone 1-4: £47.30

Monthly price:

Zone 1-2: £126.80

Zone 1-3: £148.70

Zone 1-4: £181.70
