

OISE Cambridge
at Selwyn College
University of Cambridge
1st of July - 11th of August 2018

Selwyn is one of the most delightful colleges in Cambridge, reflecting many of the characteristics that one would expect of this University City.

The College offers authentic university accommodation but in state-of-the-art surroundings. Each room is for single occupancy, with the option for en-suite bathroom at an additional weekly supplement. Breakfast and evening meals are served in the College's historic dining room with beautiful views across the elegant courtyard.

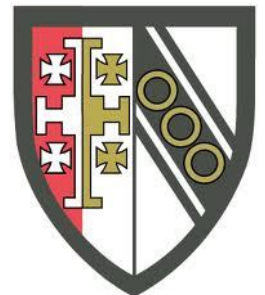

Getting to school: The College is about a 20-minute walk to the school. There are also direct bus services (Uni 4) to the school and cycles are on hire from the school at £25 per week. We recommend cycling as it's a great way to get around Cambridge and its surrounding countryside.

The Porters' Lodge is open 24 hours a day. The Porters are very important to the smooth running of the College and will help you with any questions.

Our students have use of

- The 19th Century Dining Hall for breakfast and dinner
- College shop
