

Homestay Accommodation

Homestay Accommodation

OISE Bristol offers comfortable homestay accommodation all year round. Staying with a British family allows for complete cultural immersion and the chance to practice English 24/7 for greater fluency.

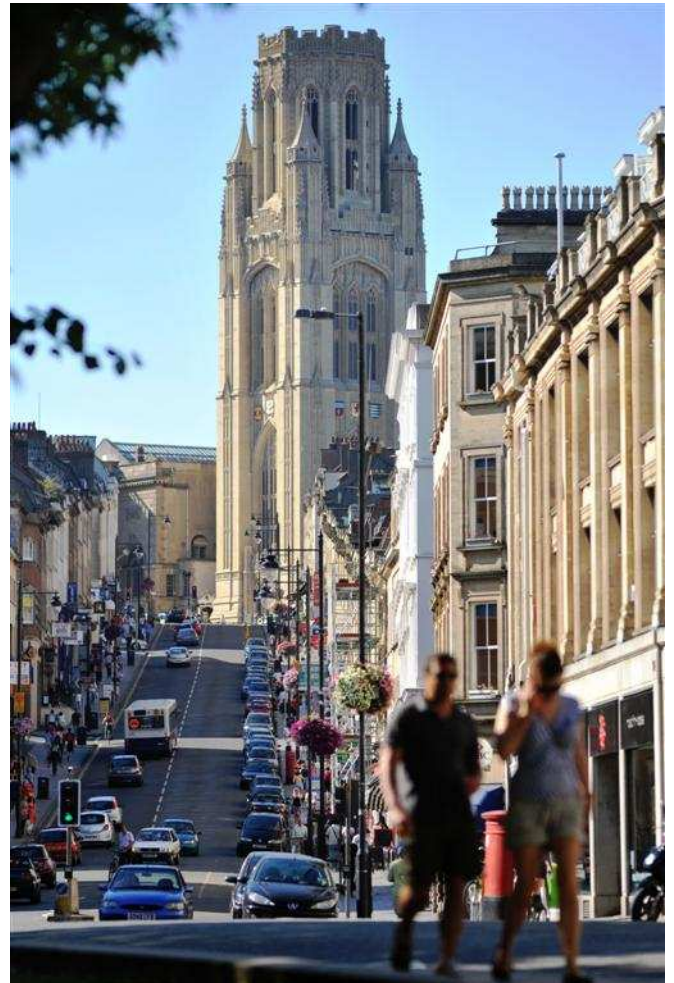

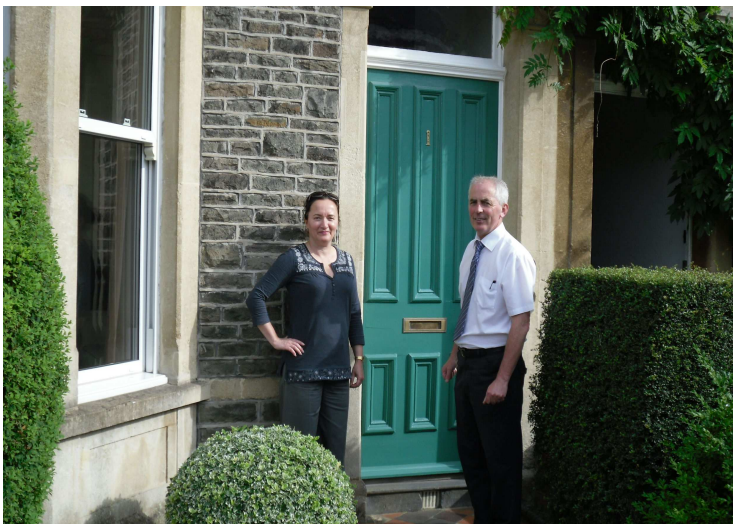

All of our homestay families are warm and welcoming, and are passionate about helping you improve your English ability. All students have a single room, and breakfast and evening meal are included.

To maximise chances of speaking English, OISE Bristol has a policy of never allowing two students of the same mother tongue to stay in the same host family.

Homestay is included in the course price.

Quality

Our Accommodation Officer personally visits each host family to ensure that the highest standards are maintained and keeps in close contact with the family during your stay. The Accommodation Officer makes sure everything runs smoothly and is always available to speak to you.

Internet

Internet is available at most of our host families. There is also free Wi-Fi at the school.

Arrival

We can organise a taxi transfer from any of the major airports in the UK to your homestay accommodation. Alternatively, you can use public transport. Bristol has excellent transport links with London and the rest of UK, as well as its own airport.
