London

Linguistic Agility

The London Curriculum aims to give students the skills to become eloquent communicators in English. Tuition is designed to stimulate and drive students towards their ambitions and encourage them to reach their full potential. OISE London caters to students aged 16 and above and is popular with executive and professional clients in particular.

An exhilarating cosmopolitan city, London is the financial hub and business capital of the UK. Offering everything from West End musicals to some of the finest restaurants, museums and art galleries in the world, London is a city of unrivalled cultural opportunity. OISE London offers state-of-the-art educational facilities and specialist teaching areas including a lecture theatre and debating room.

Programme

Plenary Session: including a News Review to practise formal presentation.

Structure of the language: controlled practice in language structures and lexis development to achieve a good command of grammar structures, idioms, and vocabulary.

Writing mastery:

– activities to sharpen understanding of written text through reading exercises based on a wide range of materials: reports, articles, studies
– coaching and practice in writing letters, reports, emails, presentations, articles – formal listening exercises.

The Public debate: societal issues are debated in a formal setting allowing students to fine tune their debating skills in English.

Pronunciation mastery: all features of pronunciation are focussed on enabling students to master speaking clearly and effectively in English

Task Knowledge: through analysis of a realistic scenario students gain the tools to undertake a range of life and business tasks in a second language. They develop the language of meetings and negotiations, and the skills of influencing and persuading, reaching a compromise, assertiveness, critical thinking and problem solving.

Active Scenario: through role-playing the scenario students refine and enhance effectiveness whilst developing through analysis and feedback on their performance.

Knowledge for the Professional Community: students gain the language and skills needed to be at ease in the specific environment operated in.

Examination preparation

Students wishing to take an official exam focus on exam requirements with active practice on past papers under timed conditions to foster familiarity with the exam.
