ACADEMIC

Congratulations on choosing an intensive language course here at OISE Boston.

With our competent teachers and supportive staff, you will make a significant difference to the way you use English in your job or in your studies. We will help you get out of your comfort zone, to gain *confidence* in your ability which, with lots of *practice*, will quickly translate into better *performance*.

OISE Boston is all about 'autonomous learning', which implies that you shouldn't be just a passive recipient of knowledge but should take more responsibility for your own learning process. You will be actively involved in creating an academic program that suits your learning needs and utilizes your learning styles. This allows for maximum progression in the English language.

Classroom instructions are not teacher-centered, which might come as a shock to many students from more traditional academic settings. Here, the teacher is considered a facilitator of a teaching/learning process 'managed' by the learner.

This progressive way of teaching at OISE is a dramatic shift from an old-fashioned teacher-directed methodology.

One thing to keep in mind throughout your time here:

'You will get out of this experience as much as you put into it!'

So, bring an open mind, lots of motivation and enthusiasm, and we will see you at OISE Boston soon!

SOCIAL PROGRAM

Please consult the social program activities board located in the school lobby for the activities each week. Typically, there will be three activities each week; all are free of charge. All activities require you to sign up for them on the sign-up sheet.

It is best to have your passport with you at all times. Public venues sometimes require identification for admittance. All establishments which sell alcohol will require you to show your passport to indicate that you are at least 21 years of age.

From time to time we will take photos of lessons, social program, etc. These may be used in our promotional materials and on our website. We would also love to put them on our Facebook OISE Boston. If you would **NOT** like to have any of your photos used by us, please speak to one of the staff in the office.

Please remember to inform your host family if you are going to be late home or be absent for dinner for any reason. If you do not have the number or need a phone, please speak to one of the OISE staff members.

If you have any suggestions for the social program, please tell the Principal, and we can make sure these are on the program for future weeks.

OISE Boston has a fan page on Facebook. Please add us to find out more about our activities and see photos of past excursions. <https://www.facebook.com/OISE.Boston.USA>

Alcohol & Cigarettes: It is against the law to sell or give alcohol and/or cigarettes to minors. In the state of Massachusetts the minimum age to buy cigarettes is 18; the minimum age to buy alcohol is 21. Expect liquor stores and restaurants to ask for identification when you order alcohol. Some places automatically ask you, even if you are much older than 21.

Alcohol Consumption: You may be fined for drinking alcohol in public – e.g, while walking on the street or in a park. If police feel that you are being drunk and disorderly you could be fined and/or arrested (charge of public intoxication requires that the person be intoxicated to the degree that he/she is a danger to him/herself or another person).

Sexual Harassment: Offensive comments or behaviors of a sexual nature in the form of harassment is illegal.

Smoking: You may not be allowed to smoke in some public areas. If you do smoke in these areas then this could result in a fine.

Squirrels: We are very lucky to have Boston Common as our neighbor; this is a beautiful public park and a great place to eat your lunch. There are many squirrels here, but please do not feed them. Students have been bitten whilst sharing their food with them and as a precaution they have had to get rabies injections.
