Berufstätige Cambridge

The English Language Enrichment programme

Octorial™-Programm ™

HIGHLIGHTS

Key points

Students learn the necessary language skills at an appropriate level. Teachers set goals for each student, regularly evaluating their progress. This motivates learners to surpass their personal expectations and achieve more than they thought possible.

The small class size allows for personalized learning, taking into account each student's needs, experiences, and background. The constant support from tutors provides a stimulating study environment and allows students to grow in confidence and gain proficiency in the language.

The course exposes learners to a wide range of authentic materials from different professional backgrounds, sparking their curiosity and exposing them to diverse writing styles and vocabulary. Students engage in debates, discussions, and analysis of these materials, leading to increased confidence, fluency, and improved critical thinking skills.

ZIEL

English Language Enrichment

To make a significant improvement in language skills and knowledge

The Quatorial programme

Taught in groups of no more than 4 students.

Proximity to tutors leads to a collaborative and interactive programme. Learners are participative, collaborative, engaged and make fast progress.

27.5 hours of tuition per week taught as 20 hours per week in small groups of no more than 4 students + 7.5 hours per week in seminars of no more than 6 students

The small group size ensures a high level of tutor attention and a clarity of focus on the academic aims of the group.

Aptitude: accurate use of the language in core skills lessons

- **controlled practice in language structures and lexis development to achieve a good command of grammar structures, idioms, and vocabulary.**
- **activities to sharpen understanding of written text through reading exercises from a wide range of materials: reports, articles, case studies.**
- **coaching and practice in writing letters, reports, emails, presentations, articles**
- **formal listening exercises.**
- **public debate: societal issues are debated in a formal setting allowing students to fine tune their debating skills in English.**
- **project: working on an engaging task participants use the soft skills of analysis and problem solving, collaboration and research.**

Attitude: confident use of the language through interactive sessions designed to develop leadership skills

- Spoken Assertiveness: a fluency skills session to help the learner overcome inhibitions and group communication anxieties.
- Critical Analysis: develops the participant's ability to analyse, categorise and process information in their language. Students apply critical thinking skills by evaluating texts and offering cogent and well structured responses.

ERWARTUNGEN
Course outcomes

Increased mastery of the language, students become confident users of English whilst speaking with accuracy and fluency.

UNTERKUNFT
Gastfamilie mit Halbpension

Die Unterbringung bei einer Gastfamilie erfolgt für alle Lernenden mit Halbpension. Alle Teilnehmer werden in Einzelzimmern untergebracht. Das Frühstück und ein warmes Abendessen werden gemeinsam mit der Gastfamilie eingenommen. Gastgeber sind Familien mit Kindern, aber auch Alleinstehende oder Menschen im Ruhestand. Jede Gastfamilie wird sorgfältig ausgewählt und überprüft.

ORT
The experience of living in Cambridge

Cambridge is home not only to one of the world's great universities, its iconic buildings and colleges peppering the old town, but also to the dynamic high-tech hub sometimes known as 'Silicon Fen' (Microsoft Research, Amazon, Apple, ARM, CSR, Autonomy and several thousand more), and the largest biomedical campus in Europe.

The result is a rich mix of students and professionals, and an ambience of tradition, scholarship and innovation. The town is host to a myriad of cafes, restaurants and pubs (including The Eagle, in the front room of which Crick and Watson demonstrated the first model of the double-helix structure of DNA in 1953), and to innumerable buildings of great historical and architectural significance, such as King's College Chapel, the Wren Library, the Mathematical Bridge and Trinity Great Court.

Compact, green and beautiful, the city is dominated by the historic university buildings and bound by the lovely River Cam. It offers a unique ambiance, where the charm of tradition blends with the conveniences of modern urban life. Cambridge is a prime location for committed English language study.

WEITERE INFORMATIONEN
Price includes
