

OISE Bristol Code of Conduct for 16 and 17 year old students

We want you to have a safe and enjoyable time with OISE Bristol. Because you are under 18 it is very important you understand what you can and cannot do in the school, in the homestay accommodation (if arranged by us) and in Bristol generally.

In the school

You may be in class with adults so please behave with maturity.

Put the school emergency number into your mobile. The number is: **07850 780801**.

OISE Bristol has a Designated Safeguarding Lead, Gwen Waller, to look after your welfare. She will talk to you on the first day in school so you know who she is. If you have ANY problems (are unhappy in class, feel homesick etc) please talk to her immediately.

Some social programme activities will not be suitable for you because of your age.

In the homestay accommodation

If you are 16 please return home no later than 10.30pm.

If you are 17 please return home no later than 11.30pm.

If you are going to be late you must call your host to let them know - or they will worry!!

When you go out at the weekends you must tell your host where you are going and what time you are coming back.

In Bristol

You cannot buy alcohol or tobacco. If you try you will be asked to prove your age with an ID or passport.

You should not go to pubs, bars or clubs where alcohol is sold.

Always travel by public transport or licensed taxi. NEVER take a 'mini-cab' or accept a lift from a stranger.

If you are going out alone please tell a friend, the school or your homestay host where you are going and what time you are coming back.

Do not carry a lot of money on you or display expensive jewellery, mobile phone, etc.

Be very aware of pickpockets in crowded shopping centres and other busy areas.
