How to create a persuasive written argument

Online Tutorial™

ACADEMIC EXPERIENCE

Distance learning lessons taught by a live online tutor, via Zoom.

Lessons are taught by tutors from the OISE faculty.

Ideal for the revision and practice of specific language skills.

Includes a pre-start Zoom meeting between the tutor and the student for level assessment and needs analysis.

Includes a post-course certificate, sent by email after completion of the lessons.

OBJECTIVES OF THE STUDY

To create a persuasive written argument

The modules give the learner the techniques to be able to write with an influential voice and to develop robust arguments with logic and cohesion.

Online Sessions for Strategic Language Skills

Recommended minimum number of lessons is 3 lessons.

Recommended total number of lessons is 15 lessons (3 modules each of 5 lessons).

All 3 modules form a programme of 15 hours which gives the learner the ability to create persuasive written arguments.

Each module focuses on a specific aspect of written eloquence. All 5 modules form a programme of 15 hours which transforms every aspect of the learner's mastery of the written word.

Practice in the skill of crafting a written text (such as a short summary, a long-form essay, a piece of descriptive text) which succeeds in communicating the writer's point of view with clarity and style.

Includes 5 separate modules:

- Formal, Academic Style
- Sentence Structures
- Structuring a Paragraph
- Structuring an Essay
- Synthesising Ideas

The ability to take command of the written language and use it to either present information, express opinion or to engage a reader elevates the learner's opportunity to communicate and be understood.
