OBJECTIVES OF THE STUDY

To use of tone of voice to create impact

To use of tone of voice to create impact

The use of tone of voice to create impact

A focus on the way the spoken word is delivered in order to perfect the techniques necessary for engaging an audience (whether large or small) and for communicating a message with impact. Repeated practice gives the student confidence and leads to the learner feeling in control of their spoken language.

Includes 3 separate modules:

- Enunciation: Speaking with clarity and precision
- The use of pause
- Rhythm and pace to convey meaning
